

ONE-ON-ONE FINANCIAL AID ADVISING SESSIONS

Do you have questions about how to pay for college?

A College Access Advisor is available to help! We can answer questions about the different types of financial aid out there, how it is awarded, the financial aid process, and how to apply for money to help you pay for college. We can also talk about free ACT/SAT preparation or other questions you have about preparing for college.

Some of the topics we can help with include:

- Completing the Free Application for Federal Student Aid (FAFSA)
- Choosing the best financial aid package
- Understanding financial aid award letters
- Applying for grants and scholarships
- Using free test prep to prepare for the ACT or SAT

For: Students and/or families with questions about college admissions and financial aid are strongly encouraged to attend!
