RE: 2011-2012 School Year

Dear Parent/Guardian:

Scheduling has begun once again for the following 2011-2012 school year. Counselors have been working with students to help them understand what courses to choose. Due to the overcrowding at Preble, several scheduling options will be offered. These options will be scheduled **only** with parent permission and student interest. It should be understood that seniors will have priority and some requests may not be honored due to scheduling conflicts. The availability of all course offerings will be determined by the amount of interest shown. If you and your son/daughter are interested in one of these special options, this is what should occur:

1. Students must return the bottom portion to Student Services with the correct choice indicated.
2. Parent signature must be included.

It is important that parents realize that transportation will be offered only for those qualifying students who are on a typical 1-8 schedule. Other than the typical 1-8 schedule, transportation will be the individual family's responsibility.

A student scheduled "off campus" is expected to leave the building at that time, unless the student has made arrangements to work with staff.

If there are any further questions, students can see their counselor. Counselors can also be reached by calling 391-2402. Also, feel free to contact me if you have any other questions or concerns.

Sincerely,

Jeff Sielaff
Principal
