Pathways

- Employment
- Military
- Apprenticeships
- Technical Colleges
- 2-Year/Junior Colleges
- 4-Year University

Wisconsin's Technical Colleges

Technical college programs have admission standards. These would include required test scores on the TABE, ACCUPLACER, or ACT. Some programs have waiting lists. Technical college preparation should include a comprehensive high school curriculum to ensure success. The following are recommended high school courses/credits for adequate preparation for technical college programs.

Subject Credits

English Language Arts 4

Mathematics 3

Science 3

Social Studies 3

Technical Courses 3-4

University of Wisconsin System/Private Colleges

Subject Credits

English Language Arts 4
Mathematics 3
Algebra 1/Advanced Algebra 1
Geometry/Advanced Geometry
Algebra 2/Advanced Algebra 2
Science 3
Social Studies 3-4
World Language 2 (Certain Colleges)
College Prep Electives 4

College preps should come from core academic, world language, fine arts, computer science and other college prep academic areas. Either ACT or SAT scores are needed. Some universities have slightly different requirements.

Nation's Top Universities

Subject Credits

Advanced/AP English Language Arts* 4
Mathematics 4 (Pre/AP Calculus)
Science 4 (AP Physics/AP Chemistry)
Social Studies 4 (AP Courses)**
World Language* 3-5**

- * Intensive work in writing
- ** Includes American & European History
- *** At least one world language

Rigorous academics, leadership experiences and a strong student profile are very important.

SAT or ACT admission tests plus **writing and subject** tests.

Concurrent Enrollment Program (CEP)

- Agreement with St. Norbert/UW-Green Bay/NWTC
- 19 Courses
- Provides students an opportunity to earn college credits

NWTC CEP Courses available for 9th graders:

- Digital Media
- Microsoft Excel & Access Expert
- Microsoft Word Expert

Individual online courses ~ Many of Green Bay's high school students opt to complete some high school credits by taking online courses. These challenging courses are taught by Wisconsin licensed teachers and delivered through the Internet.

Students may discuss their ability to take individual online courses with their school counselor and get further information at:

<https://greenbayonline.wikispaces.com/>

iLearnGreenBay ~ An online charter high school planned to open Fall, 2012.

iLearnGreenBay's future vision includes student opportunities for individualization in learning. iLearnGreenBay will pair high quality courses and state-of-the-art instruction with multiple educational pathways and supportive mentoring in an innovative learning environment.

Students may discuss iLearnGreenBay enrollment with their school counselor and get further information at:

<https://ilearngreenbay.wikispaces.com/>
