

# A LOOK AT PREBLE HIGH SCHOOL

**PARENT NEWSLETTER – April 2012**

## Dear Preble High School families -

Hopefully, all families have found some time to be outdoors and are enjoying this wonderful weather we have been having!

I am amazed at how time is flying and was quite surprised when I was asked to write my note for the April newsletter. Please find some important dates and information in this correspondence and enjoy reading about our many student activities, as well as sporting accomplishments and academic achievements.

### Attendance and Tardies

We continue to monitor our tardy data. From the data it shows an improvement for this month, and this is great. I heard rumors that the students did not like the music that was being played during passing, as an incentive, if their tardies improved. So, I am guessing they are working on fixing this matter themselves, in the hopes that the music will not return. Please continue to encourage your son/daughter to get to class on time, in the event that they may be one of the students contributing to our data.

### We are so proud! Here are a few reasons why:

Preble High School Academic Decathlon Team participated in the 29<sup>th</sup> Annual State High School Competition on March 15 and 16, 2012, and placed second in the Super Quiz Relay.

### Summer School Booklets

These were made available in student services on March 19, 2012 and we still have some copies. In addition, the information is also listed on line.

### Community Image Survey

This survey focuses on gathering the communities' perception of public education. You may receive a phone call or be asked to complete the survey online. I encourage all of our families to participate, as your input is valuable as we work to create an education system that is one of the best.

### Preble Parent Network

We would like to have more parents involved. These meetings are held on the first Wednesday of every month at 6pm in Room 105. Come and join us!

Thank you as always for your support and commitment to the success of student learning at Preble High School.

Sincerely,

Natasha R. Rowell

## END OF GRADING PERIOD

The end of the 5<sup>th</sup> grading period is April 20<sup>th</sup>.

## LATE START

On May 2nd, district staff will have professional learning. Students will have a one hour late start. Period 1 will begin at 8:30 a.m. for students.

## NHS INDUCTION

The National Honor Society Induction ceremony will be held on May 2, 2012 at 7:00 p.m. in the Auditorium.

## IN-SERVICE DAY

May 25th is an early release day for students. Students will be dismissed at 12:50 p.m. Busses will pick up students at that time. The Food Service area will serve breakfast and lunch.

## PARKING PASS APPLICATIONS

Applications for parking passes for the 2012-2013 school year will be emailed out in the middle of May to parents who have parent connect access. If you do not have parent portal access you can print them off the Preble Website. The applications are due back on June 8th. Students must have a valid driver's license before they can hand in an application. All fees/fines and restricted time/detentions must be paid/served before applications will be accepted.

## GUEST WIFI ACCESS

A new connection named "Guest" is now available when accessing the internet. The "Guest" connection will present users with an End User Agreement screen which requires the user to click "Accept" to indicate that the user will abide by the District's AUP. Internet access through "Guest" will be at the more restricted student internet access level.

## TUTORING ASSISTANCE

On-site tutoring assistance is now available for all Preble students Monday through Friday via a grant through NWTC. Students may receive help during their lunch hours or study halls. Please encourage your child to seek help as needed through their Guidance Counselor.

## UNHEARD VOICES: SPEAKING OUT AGAINST SEXUAL VIOLENCE

On Monday, April 16th, at 8:26 a.m., Preble will have a panel discussion and dramatization on Sexual Violence for all sophomores. Our purpose is to inform students of the legal, social, and emotional ramifications of this issue. The District Attorney, Staff from the Sexual Assault Center, a School Resource Officer, and a School Social Worker will be on the panel. This information is important for students to be made aware of for their own personal safety and self-esteem. Please contact our school social workers, Sandy Tree, Christina Gingle, or Kelly Rowe at 391-2402 with any questions or concerns.

## SENIOR SCHOLARSHIP/AWARDS NIGHT

The Preble High School Senior Awards Night will be held on Wednesday, May 23, 2012. This is a night to honor those seniors who have received scholarships. The ceremony will begin at 6:00 P.M. and will be held in the Preble auditorium. Students and parents will be invited to attend this event based on the student's responses to a survey they complete asking if they have received any scholarships. This survey will be distributed to all seniors in mid-April. Parents, please help ensure that your child returns this survey promptly.

## DPI INFORMATION LINES

For information about academic standards, tests, open enrollment, family-community partnerships with schools and many other topics, call the Department of Public Instruction toll free at 1-800-441-4563, or visit the DPI web site at [www.dpi.state.wi.us](http://www.dpi.state.wi.us).

## JUNIOR/PARENT/COUNSELOR MEETINGS

Parents and guardians of juniors will meet with their guidance counselors to review transcripts and discuss post high school plans. These are called an Individual Planning Conference or IPC. These conferences will assist parents and their children to prepare for their future whether they are going into the work world, military, technical, or four-year colleges. This will be a great opportunity for parents and juniors to start planning their senior year and beyond. Questions will be answered and resource materials will be available. If you have not done so, please call 391-2402 to schedule your Individual Planning Conference.

## JUNIORS-COLLEGE ENTRANCE EXAMS

Juniors are encouraged to take their college entrance exams, ACT/SAT, in the spring of their junior year. Tests can be taken more than once, if necessary. The ACT is now the most commonly used test, but the SAT may be required for some out-of-state schools. **Preble High School's school code, 500-795, needs to be included on the ACT/SAT registration form so that test scores can be added to the student's official transcript.** Stop in the Career Center to research college requirements. Registration packets are available in Student Services and/or visit the website [www.actstudent.org](http://www.actstudent.org) (ACT) or [www.collegeboard.com](http://www.collegeboard.com) (SAT).

## ACT/SAT TEST DATES

ACT June 9th

SAT May 5th  
June 2<sup>nd</sup>

Registration deadlines are approximately 4 weeks prior to exam.

## SCHOLARSHIP UPDATE

For some scholarships, like Scholarships Inc., a Student Aid Report (SAR) is required to complete their scholarship application. The SAR is received once the Free Application for Federal Student Aid, or FAFSA, is completed and processed. Please contact your school counselor if you have further questions.

## SUMMER SCHOOL OFFERINGS

This year's summer school offerings are now available and offer a lot of variety. Students can take courses in one of two sessions: June 11 - July 13 or July 16 – August 10. The Student Services Office has course information and registration forms. For just \$13 a course, high school students can get credit for physical education, health, personal and financial literacy, language arts, social studies, physical science, biology, and more! Credit is not offered for camps or classes that are not offered during the school year.

- Don't forget the popular **Freshman Forward** for incoming 9th graders in August!

Summer school forms can be completed on-line, or can be mailed to the Green Bay Area Public Schools Office Building at 200

South Broadway by the appropriate deadline. In the event that a course will not be offered, enrollment fees will be returned. Students who register for courses by the general registration deadline will know by the first week of June if there was sufficient enrollment to hold the course.

The Department of Public Instruction limits the amount of time a student can spend in summer school to 4.5 hours per day. **Any student interested in summer school is expected to attend every day - family vacations are not considered excused absences. Summer school is not the best option if these plans are already in place.**

Registration runs until courses are full. **Once classes are full, students will be selected by a lottery system.** If you have questions, please contact your school counselor at 391-2402.
